

I encourage all members to attend these informative events, not only for their content but for their networking opportunities.

Once again, thank you Ruth & Roz for organising this evening's function

6. Treasurer's Report:

The year of 2009-2010 has been an extremely busy and exciting one on both a personal and IPEA level.

I thank the committee and special others for their continued support of the past year and if my nomination is successful look forward to what promises to be a milestone year of IPEA South Australian Chapter and IPEA Nationally.

The SA branch is fortunate to be running in the black and a full report will be posted onto the IPEA web site.

I have developed a new and easier invoicing template and hopefully this will equate to more timely invoicing being achieved.

8. Membership Officer's Report:

We have had a great deal of interest in IPEA this year, this unfortunately has not manifested in new memberships.

We continue to promote value for our members and i am hopeful this year will bear fruit and show a result.

Our drive for members in December was well attended, and with the end of the GEC , holds us in good stead to increase our numbers.

Congratulations to all in the effort to recruit new members and look forward for a more successful 2010-2011
