

## INVITATION TO JOIN THE INSTITUTE OF PLANT ENGINEERS OF AUSTRALASIA

"Providing Support, Fellowship and Recognition....."

The institute of Plant Engineers of Australasia invites your company to participate as a member of the Institute.

The institute membership is a diversified group of Engineers and Service Industry providers who maintain and administer Plant Facilities ranging from Commercial Highrise properties to Industrial sites.

Our Membership covers all states and territories throughout Australia.

We the institute would like you to consider becoming a **CORPORATE MEMBER** so your company can be recognised and supported through our Corporate Membership page which is permanently placed within our published journal and your company logo is placed onto our website with a live link to your company home page. Individual membership of the institute is also available.

Corporate members and guest from the group are welcome to attend all of our in-house presentations and visitations t selected sites. Your corporate membership is recognised by all state divisions of the institute.

Membership will entitle your company to receive a framed Corporate Membership Certificate and copies of the published journal, a live link to your company home page from our website, also an opportunity to advertise your product and services within our journal.

### **CURRENT ANNUAL CORPORATE MEMBERSHIP FEE \$300.00**
